Branded & Custom USB Keys

We carry an endless range of styles, colors, and packaging with flash drives starting at 128MB up to 64GB.

From promotional thumb drives printed with your logo, to personalized jump drives custom molded to your specifications, we have the solutions to meet any need.

10 Day Delivery for all our drives

Branded Electronics

We carry a wide range of electronics and can print your logo on almost anything.

Impress your clients with an electronic device that they'll use again and again.

COMES WITH Google play

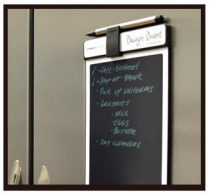
Boogie Board™
LCD Writing Tablet

THE ORIGINAL 8.5

The original Boogie Board LCD eWriter that started a revolution. Ultra light (4oz.) and thin (1/8").

One just isn't enough. Get one for on the go, in the office and multiple places around the house. Almost anywhere you'd keep memo pads, sticky notes or scrap paper.

Ultra-Thin | Scratch-Resistant Plastic LCD | Magnet Kit | Stylus Holder



JOT 8.5

The Boogie Board Jot 8.5 eWriter design focuses both on its intended use and modern style. Ergonomic and tactile elements are optimized for writing and drawing.

The stylus is comfortable and precise. The kickstand slot, built-in magnets and erase lock add functionality. Color accents and materials add visual appeal that looks great anywhere – on a refrigerator, desk or on the go

SYNC 9.7

Spiral notebooks and legal pads are history!

Now you can digitally create page after page of notes and drawings without sacrificing the writing experience.

The Sync 9.7 saves your images and wirelessly transfers to your phone, tablet or computer via Bluetooth. And that's just the beginning.
